

Vegetarian and Vegan Menu Guide

Applebee's is committed to transparency and we are proud to offer our guests looking for vegetarian and vegan menu items detailed information to make their menu selections. Use the information in this guide to find a menu item that meets your needs. Please note, some menu items have specific modifications required that you will need to tell your server in order to make the menu item vegetarian or vegan.

If you have questions about this information, please contact Applebee's Guest Relations 1-888-592-7753

Vegetarian Menu Guide

Applebee's defines vegetarian as lacto-ovo, allowing consumption of dairy and eggs but not any meat products, stock, rennet/animal enzymes, or gelatin. Because we have multiple sources of animal products in our shared cooking and prep areas, including common fryer oil, we are unable to guarantee that any menu item be completely free of animal products. Limited time offers, regional items, or test items may not be included.

Vegan Menu Guide

Applebee's defines vegan as not containing any animal products or byproducts including meat, rennet, gelatin, eggs, dairy, or honey. Because we have multiple sources of animal products in our shared cooking and prep areas, including common fryer oil, we are unable to guarantee that any menu item be completely free of animal products or byproducts. Limited time offers, regional items, or test items may not be included.

Menu Items	Tips
Appetizers
