**Q: Do you offer gluten free menu items?**

- Applebee's is proud to offer gluten sensitive menu items. We do not claim our menu items are "gluten free" because we cannot confirm that they meet the FDA's definition of "gluten free" (<20 parts per million of gluten). The  icon indicates the menu item meets our gluten sensitive criteria. Please review the [Allergen Notice](#) prior to making menu selections.

**Q: Can you accommodate dietary restrictions?**

- We are happy to make any modifications or substitutions per guest request. Our nutrition calculator does allow for some modifications which will update the nutrition, allergen, and ingredient information. However, this information may not be available for all modifications.

**Q: Is the nutrition information in the restaurants or online the most up to date?**

- While we strive to ensure all information up to date, our website is the most accurate as the online platform allows for real time updates.

**Q: For some menu items containing soybean oil, why is soy not marked as an allergen?**

- The FDA exempts highly refined soybean oil from being labeled as an allergen.

**Q: Which cheeses are vegetarian?**

- The American Cheese, Cheddar Cheese, Swiss Cheese, and Pepper Jack Cheese are vegetarian as they are produced using microbial or plant-based enzymes. For more information on our vegetarian offerings, check out the [Vegetarian and Vegan Menu Guide](#).

**Q: Does the nutrition and allergen information provided for the entrees include the sides?**

- Yes, the information provided includes the sides listed on the menu for each item.

**Q: Are the Double Crunch Wings gluten sensitive?**

- Yes! The Double Crunch Wings are gluten sensitive because the batter contains rice flour and does not include gluten-containing ingredients. Please note some of our wing sauce options do contain gluten.

**Q: The nutrition information for your cocktails is not on the calculator, where can I find this information?**

- The nutrition information for our regular cocktails can be found [here](#). Please note some cocktail offerings may not be listed as restaurants are able to customize their beverage menu.

**Q: I don't consume pork. How do I know a menu item contains it?**

- Some menu items containing pork will be indicated in the menu name and description. For example, our Whisky Bacon Burger. For items that do not specifically call out a pork product in this manner, the  icon designates the item contains pork.

**Q: Do any of your menu items contain added monosodium glutamate (MSG)?**

- Please reach out to Guest Relations at 888-592-7753 or [complete this form](#) for questions regarding added MSG in our menu items.

**Q: Where can I find information regarding ingredients containing artificial flavors, artificial dyes, or preservatives?**

- Ingredient lists for our menu items can be found on both the [Nutrition Calculator](#) and on the [Nutrition Facts](#) page on our website.

**Still have questions? Please contact Guest Relations at 888-592-7753 or [complete this form](#).**
